DHS/Cir/18/2022-23

21st March 2023

Dear Parents,

We hope that your ward has put in great efforts to achieve a good result in Secondary School Examination 2023.

It's now time for us to start planning the streams for Class XI. The provisional streams will be allocated as per your ward's performance throughout the year (20 marks of Mid Term + 30 marks of First Term + 50 marks of Pre-Board). We request you to kindly download the attached Provisional Stream Allocation Form, fill up the desired stream in consultation with your ward and submit latest by Thursday, 30th March 2023.

The list of allocated Provisional streams will be displayed on the school website by Saturday, 1st April 2023.

We will be happy to accommodate all requests for allocation of Stream; however, in cases where eligibility is compromised, we will have to wait for the Board result.

Class XI session will start from Wednesday, 5th April 2023.

With best wishes
